Employee Assistance Programme

The charity offers a free and confidential Employee Assistance Programme to all employees. This private and impartial support, information, and counselling package is available 24/7 online, via phone, and through a face-to-face service.

Occupational Sick Pay

The Charity operates a discretionary Sick Pay Scheme for all employees which is:

- Up to twelve months continuous service - two weeks at full pay.
- After twelve months continuous service but less than three years continuous service - one month at full pay and one month at half pay within a twelve-month period.

Maternity, Paternity and Adoption Pay

All pregnant employees are entitled to a period of up to 52 weeks' maternity leave regardless of length of service. The entitlement for adoption leave is also 52 weeks regardless of length of service.

Pregnant employees who have 12 months or more of continuous service by the time their baby is born, or employees who are matched for adoption who have 12 months or more of continuous service, will receive enhanced maternity pay or adoption pay of 12 weeks full pay, with the remainder of their leave being paid under statutory leave arrangements.

Fathers to be or employees who will share the responsibility with a partner for bringing up a child, may have the right to Statutory Paternity Leave and Pay. Employees who have 12 months or more of continuous service by the time their baby is born will receive enhanced paternity pay of two weeks full pay.

The Charity encourages all employees to have their hearing tested annually and will help signpost to a local service.

Learning and Development

The charity is committed to developing all its employees to improve individual performance and fulfil each person's potential. Each employee is encouraged to take advantage of the variety of learning and development opportunities available.

Uniform

Uniform is provided for all employees that is appropriate for each role.

Hearing Dog Shop

We offer a 20% discount in our online shop and Grange restaurant. Details of online discounts for this shop and any other suppliers who offer discounts to our employees are published on our Staff Benefits SharePoint page.

Pet Dog Policy

The charity offers all employees the opportunity to bring their pet dog into The Grange or the Beatrice Wright Centre offices following two months of continuous service. A pet dog assessment will apply as do other conditions.

Staff Culture

We model behaviours that create a positive, sustainable culture for our charity. These underpin our strategic aims, and we measure our impact by not only what we do, but also how we do it. Our purpose is to help deaf people reconnect with life and leave loneliness behind.

Work-life Balance

We encourage all forms of positive, productive communication between colleagues and endorse an email culture that recognises a healthy work-life balance. All routine emails should be sent within the hours of 7am to 7pm Monday to Friday only.

Social media offers a successful feature of our Hearing Dog family connection, and many employees monitor multiple channels that we have created. Specific guidance is available to clearly define the expectations around social media monitoring.
